

WEDNESDAY, 17 July 2019

HALLS HOURS	CONFERENCE HALL (Salón de Actos)	LECTURE HALL 8 (Aula 8)	LECTURE HALL 9 (Aula 9)	LECTURE HALL 11 (Aula 11)	HALL WRITEN COMMUNICATIONS
9:00	REGISTRATION AND DISTRIBUTION OF CONFERENCE MATERIALS (from 9:00 a.m. and throughout the Conference, the Secretary will remain open for the collection of documentation)				
10:00 -11:30	Symposium 1: Complex Criminal Investigations: Pitfalls and Opportunities in Police Investigative Practice	Applied Session 1: Paraphilic Disorders in the ICD-11: Legal, policy, and forensic implications	Symposium 2: Violent crime and victimization: Portuguese studies and practices (Portuguese)	Oral Communications 1: Interviewing, interrogations & confessions I	
11:30-12:00	OPENING CEREMONY				
12:00-12:30	COFFEE BREAK				
12:30-13:30	Keynote Speaker: Aldert Vrij				Written Communications 1: Credibility assessment & Decision-making
13:30-14:00	Poster session with authors				
14:00-16:00	LUNCH BREAK				
16:00-18:00	Oral Communications 2: Victims & offenders I	Oral Communications 3: Deception, detection & malingering I	Oral Communications 4: Eyewitness identification & memory I	Oral Communications 5: Criminal investigations	

THURSDAY, 18 July 2019

HALLS HOURS	CONFERENCE HALL (Salón de Actos)	LECTURE HALL 8 (Aula 8)	LECTURE HALL 9 (Aula 9)	LECTURE HALL 11 (Aula 11)	HALL WRITEN COMMUNICATIONS
9:00-10:30	Symposium 3: Wagenaar Symposium	Applied Session 2: Introducing the IOP-29: A Brief and Easy-to-Use Tool for Malingering- Related Evaluations	Symposium 4: Assessment and intervention in the juvenile justice system (Spanish)	Oral Communications 6: Credibility assessment	
10:30-11:30	Keynote Speaker: Geoffrey Reed				Written Communications 2: Deception, detection & malingering, & Miscellaneous
11:30-12:00	Poster session with authors				
12:00-12:30	COFFEE BREAK				
12:30-13:30	Keynote Speaker: Amina Memon				Written Communications 3: Victims & Young Offenders
13:30-14:00	Poster session with authors				
14:00-16:00	LUNCH BREAK				
16:00-18:00	Applied Session 3: Complex PTSD, a New Diagnosis: Implications for Forensic and Correctional Psychology	Oral Communications 8: Victims & offenders II	Oral Communications 9: Forensic & risk assessment I	Oral Communications 10: Decision-making I	(LECTURE HALL 10) Oral Communications 7: Eyewitness identification & memory II

FRIDAY, 19 July 2019

HALLS HOURS	CONFERENCE HALL (Salón de Actos)	LECTURE HALL 8 (Aula 8)	LECTURE HALL 9 (Aula 9)	LECTURE HALL 11 (Aula 11)	HALL WRITEN COMMUNICATIONS
9:00-10:30	Symposium 5: Psychopathy: Assessment, Applied Issues, and Treatment	Applied Session 4: The forensic psychological report: ethical and practical issues (Spanish)	Oral Communications 11: Miscellaneous	Symposium 6: Socio-community representations of the Youth. Legal Implications (Spanish)	
10:30-12:00	Symposium 7: Longitudinal trajectories/changes of risk factors in forensic patients: model-testing and relations to offending behavior	Symposium 8: Psicopatologia forense (Portuguese)	Oral Communications 12: Interviewing, interrogations & confessions II	EAPL Members' meeting	
12:00-12:30	COFFEE BREAK				
12:30-13:30	Keynote Speaker: Virginia Barber Rioja				Written Communications 4: Eyewitness identification & memory, & Interviewing, interrogations & confessions
13:30-14:00	Poster session with authors				
14:00-16:00	LUNCH BREAK				
16:00-18:00	Oral Communications 13: Deception, detection & malingering II	Oral Communications 14: Decision-making II	Oral Communications 15: Victims & offenders III	Oral Communications 16: Forensic & risk assessment II	

SATURDAY, 20 July 2019

HALLS HOURS	CONFERENCE HALL (Salón de Actos)	LECTURE HALL 8 (Aula 8)	LECTURE HALL 9 (Aula 9)	LECTURE HALL 11 (Aula 11)	HALL WRITEN COMMUNICATIONS
9:30-11:00	Symposium 9: Deception and Memory Detection in the 21st Century: Recent Advancements	Applied Session 5: Statement analysis based on content criteria: From hypothesis to a methodic instrument	Oral Communications 17: Decision-making III	Symposium 10: Therapeutic Jurisprudence in parental separation (Spanish)	
11:00-12:00	Keynote Speaker: Friedrich Lösel				Written Communications 5: Forensic & risk assessment, & Criminal investigations
12:00-12:30	Poster session with authors				
12:30-13:00	COFFEE BREAK				
13:00	CLOSING CEREMONY				

WEDNESDAY, 17 July 2019

10:00-11:30 Conference Hall. Symposium 1: Complex Criminal Investigations: Pitfalls and Opportunities in Police Investigative Practice

Coordinates: Alejandra De La Fuente Vilar

Participants:

1. **Tupper, N., Sauerland, M., Sauer, J., & Hope, L.** Multiple Perpetrator Identification Practices: A Survey of Identification Administrators.
2. **De La Fuente Vilar, A., Horselenberg, R., Landström, S., Strömwall, L. A., & van Koppen, P. J.** Gaining Cooperation from Witnesses: An International Survey of Investigative Interviewers.
3. **Hoogesteyn, K., Meijer, E. H., Vrij, A.** A Look at Police's Use of Context Manipulation Techniques for Suspect Interviews.
4. **Wilson, L.** Interpreting Violence: Concerns for Interpreter Emotional Bias in Investigative Interviews.
5. **Sumampouw, N. E. J., Otgaar, H., & de Ruiter, C.** The Influence of Extra Information About Child Sexual Abuse Alleged Victim to Police Perceived Credibility and the Interview Plan.
6. **Kontogianni, F., Hope, L., Taylor, P. J., Vrij, A., Gabbert, F.** Reliability and Credibility Judgements of Witness Reports: Single versus Repeated Events.

10:00-11:30 Lecture Hall 8. Applied Session 1: Paraphilic Disorders in the ICD-11: Legal, policy, and forensic implications. Geoffrey Reed

10:00-11:30 Lecture Hall 9. Symposium 2: Violent crime and victimization: Portuguese studies and practices (Portuguese)

Coordinates: Ana Cristina Neves

Participants:

1. **Neves, A. C. & Almeida, I.** Beliefs about intimate partner violence: gender and generation effects
2. **Matias, A., Gonçalves, M., Soeiro, C., & Matos, M.** Intimate Partner Violence homicide: risk factors and offenders gender differences
3. **Almeida, T. C. F.** Childhood trauma victimization: Relationship with emotion regulation difficulties and self-esteem in a Portuguese sample
4. **Monteiro, S.** Forensic assessment and clinical intervention in cases of sexual abuse – benefits of play activities
5. **Almeida, I., Quintas, J., Ventura, R., & Saavedra, R.** Assessment Guidelines for Elder Domestic Violence (AGED)

10:00-11:30 Lecture Hall 11. Oral Communications 1: Interviewing, interrogations & confessions I

1. Question Types in Police Interviews with Homicide Suspects. **Miller, K., Mattison, M., Wright, C., Bramwell, R., & Dando, C.**
2. Permissible practices in witness preparation. **Airaksinen, H.**
3. Management of disclosure-costs in intelligence interviews. **Neequaye, D. A. & Luke, T. J.**
4. Some psycho-social conditions of crimes committed by adult women sentenced for imprisonment. **Has, A. & Rajtar, T.**

12:30-13:30 Conference Hall. Keynote Speaker 1: Aldert Vrij. A paradigm shift in 30 years of deception research

12:30-14:00 Hall Written Communications. Written Communications 1: Credibility assessment & Decision-making

Credibility assessment:

1. Verification of the usefulness of the Criteria Based Content Analysis in Polish courts' judgments. **Wach, E. & Jaskiewicz-Obydzinska, T.**
2. The effect of true and false baseline statements on the accuracy of veracity judgements. **Schemmel, J., Leve, M., & Volbert, R.**
3. Children's testimonies: CBCA scores for truly experienced, partially fabricated and fully fabricated events. **Lubane, I.**
4. Hindrances in the rehabilitation process after experiencing sexualised violence – The role of credibility assessment. **Schoon, W. & Briken, P.**
5. Intimate partner batterers: Irrational beliefs, distorted thoughts and concealment. **Arias, E., Vázquez, M. J., Selaya, A., Fariña, F., & Redondo, L.**

Decision-making:

1. Dangerousness Judgments of Individuals Diagnosed with Schizophrenia: the Effect of Biased Media Formats. **Hudson, G., & Machan, C.**
2. The study of suspicion: The interaction of suspicion with type of lie. **Takiguchi, Y.**
3. Exploring Juvenile Offender Stereotypes' Effect on Videoed Witness Credibility, Evidence Weighting & Guilt Judgments. **Machan, C.**
4. Visualizing deliberation by the text-mining method through the comparing of multivariate analysis. **Wakabayashi, K.**
5. Electrophysiological Evidence of Risk Decision Making in Violent Psychopathic Offenders. **Liu, J., Wang, Q., & Zhang, Z.**
6. Sexual violence against women: Variables involved in judicial decision making. **Camplá, X., Marcos, V., Fariña, F., & Arce, R.**
7. The burden of proof in sexual assault against adult women and their value in the Chilean criminal justice. **Camplá, X., Cea, B., Deaño, A., & Jiménez, S.**

16:00-18:00 Conference Hall. Oral Communications 2: Victims & offenders I

1. Conditioning in the effectiveness of imprisonment. **Friedrich, W.**
2. Ideographic Risk Factors for Domestic Violence Victimization and Associated Determinants of Help-Seeking. **Hammond, L., Jalil, R., Harrison, N., & Brookes, M.**
3. Youth Knife-Crime in the UK. **Hammond, L., Jalil, R., & Brookes, M.**
4. Inhibitors of disclosure in corroborated cases of child sexual abuse. **Gewehr, E., Hensel, B., & Volbert, R.**
5. The Boundaries of Violence: Criminalising Coercive Control. **McMahon, M. & McGorry, P.**
6. Prevalence and predictors of verbal and indirect victimization among youths in short-term detention. **Klatt, T.**
7. Exposure to IPV during childhood and the association with perpetration: Differences across gender. **Cano-González, I., Cantu, J., Hsieh, C., Trujillo, O., Viñas-Racionero, R., & Charak, R.**
8. Stalking acknowledgment: How much do I need to suffer to be a stalking victim? **Viñas-Racionero, R., Cano-González, I., Soria-Verde, M. A., & Scalora, M.**

16:00-18:00 Lecture Hall 8. Oral Communications 3: Deception detection & malingering I

1. International Research with the Inventory of Problems-29 (IOP-29). **Giromini, L. & Viglione, D. J.**
2. Social power and deception detection. **Ulatowska, J. & Cislak, A.**
3. From Suspicion to Detection: People's Strategies to Detect Deceit. **Masip, J., Sánchez, N., & Jiménez, A. I.**
4. How People (Try to) Detect Deception in Everyday Life. **Sánchez, N., Masip, J., & Herrero, C.**

5. Can healthy participants fake the eye movement disorders associated with schizophrenia? **Warmelink, L., Ales, F., Giromini, L., Crawford, T., Polden, M., & Kelly, C.**
6. It hurts all the time: Symptom Stability Among Truth Tellers and Malingerers. **Boskovic, I., Zwaan, L., & Merckelbach, H.**
7. Identifying sabotage preparations with Concealed Information Test: Mock crime pilot in the military context. **Virtanen, T. & Simola, P.**

16:00-18:00 Lecture Hall 9. Oral Communications 4: Eyewitness identification & memory I

1. Blind drunk? The effect of elevated levels of intoxication on eyewitness identification accuracy and confidence. **Kneller, W. & Crossland, D.**
2. The impact of acute alcohol intoxication on mock-witness event memory and metacognitive control. **Gawrylowicz, J., Scoboria, A., Teodorini, R., & Albery, I.**
3. The intoxicated co-witness: examining the effects of alcohol and discussion on autobiographical memory reports. **Bartlett, G., Frings, D., Albery, I., & Gawrylowicz, J.**
4. Using general and eyewitness-specific metamemory assessments to estimate performance in multiple identifications. **Saraiva, R., Hope, L., Horselenberg, R., & Van Koppen, P.**
5. Development and validation of the Eyewitness Metamemory Scale (EMS). **Saraiva, R., Van Boeijen, I. M., Hope, L., Horselenberg, R., Sauerland, M., & Van Koppen, P.**
6. Intentional versus unintentional memory: An examination of tasking mock informants to remember. **Nunan, J., Milne, R., Shawyer, A., Walsh, D., Dalton, G., & Stanier, I.**
7. Effects of writing in the Self-Administered Interview on recalling and retaining eyewitness memories. **Matsuo, K. & Miura, H.**

16:00-18:00 Lecture Hall 11. Oral Communications 5: Criminal investigations

1. The importance of the place: examining the relationship between facilities and juvenile delinquency. **Trinidad, A., Vozmediano, L., & San Juan, C.**
2. Sex Trafficking: Blaming the Victim and Failed Prosecutions. **Wiener, R.**
3. Imprisoned But Innocent: Wrongful Convictions and Imprisonments in Germany between 1990 and 2016. **Rettenberger, M., Leuschner, F., & Dessecker, A.**
4. Targeting prison subculture by modifying occupational factors in correctional facilities. **Stasch, J., Vogel, B. O., Voss, T., Dahle, K. P., & Sauter, J.**
5. Examining the link between adverse childhood experiences, psychopathy and crime. **Cruz, A. R., Castro-Rodrigues, A., Cunha, A., Alves, V., & Gonçalves, R. A.**
6. Membership and identification with antisocial groups. A mixed study with Mexican prisoners. **Pérez, B., García-López, E., Merchan-Rojas, L., & Álvarez-Escobar, B. S.**
7. Development and validation of the Good Lives Questionnaire. **Harper, C., Lievesley, R., Blagden, N., Winder, B., Akerman, G., & Baumgartner, E.**

THURSDAY, 18 July 2019

09:00-10:30 Conference Hall. Symposium 3: Wagenaar Symposium

Coordinates: Ray Bull

Participants:

1. **Van Beek, M., Bull, R., Hodgson, P., Janssen, M., & Mijalkovic, S.** Exploring the ecological validity of evidence disclosure models in interviews with suspects
2. **Brackmann, N., Lau, S., & Habermeyer, E.** Coercive measures in forensic inpatient treatment: a 9-year observational study

3. **Nahari, G. & Nisin, Z.** Identifying deception strategy traces: New aspects of the Verifiability Approach
4. **Dando, C., Taylor, D., & Smyth, N.** Actions speak louder than words: Rapport building, stress and episodic memory in forensic interviews.

09:00-10:30 Lecture Hall 8. Applied Session 2: Introducing the IOP-29: A Brief and Easy-to-Use Tool for Malingering-Related Evaluations. Luciano Giromini.

09:00-10:30 Lecture Hall 9. Symposium 4: Assessment and intervention in the juvenile justice system (Spanish)

Coordinates: Xosé Antón Gómez-Fraguela

Participants:

1. **Cutrín, O., Maneiro, L., & Gómez-Fraguela, X. A.** Juvenile Offenders' Risk Assessment: VRAI protocol
2. **Maneiro, L., Cutrín, O., López-Romero, L., & Gómez-Fraguela, X. A.** Risk profiles for antisocial behaviour in adolescents placed in residential care
3. **Argudo, A. & Gómez-Fraguela, X. A.** Intervention with juvenile offenders in open regime
4. **Álvarez, S. & Arranz, M.** Study of measure breach in juvenile offenders
5. **Valcarcel, A. & Rey, A.** Community service in the Centro Trama Association

09:00-10:30 Lecture Hall 11. Oral Communications 6: Credibility assessment

1. General Theory of Deception: a unified theory of lie production, prevention and detection. **Srouf, C. & Py, J.**
2. Do perpetrator characteristics affect people's judgment about rape cases? **Huang, C. & Florence, H.**
3. The relationship between forensically relevant task demands and verbal performance. **Maier, B. G., Schemmel, J., & Volbert, R.**
4. When Bad Things Happen to (Partially) Good People: The Plea Bargain Decisions of 'Partially-Innocent' Defendants. **Cardenas, S. A., Sanchez, P. Y., & Kassin, S.**
5. Optimizing CBCA and RM Research on Detecting Deception. **Sporer, S. L., Manzanero, A. L., Vallet, R., & Scott, T.**

10:30-11:30 Conference Hall. Keynote Speaker 2: Geoffrey Reed. The ICD-11 classification of mental and behavioural disorders: Changes of interest to forensic practitioners

10:30-12:00 Hall Written Communications. Written Communications 2: Deception, detection & malingering, & Miscellaneous

Deception, detection & malingering

1. The cognitive load cumulative effect in a computer-based identity-check task. **Capuozzo, P., Sartori, G., Zangrossi, A., & Scarpazza, C.**
2. The counter-interrogation strategies of honest and deceptive alibis. **Sakrisvold, M., Luke, T. J., Mac Giolla, E., & Granhag, P. A.**
3. Observational Case Study: Connection between verbal and non-verbal behaviour during false and truthful story. **Granados, O. & González, C.**
4. The effect of deceptive intentions and experience on specific hand gestures. **Hillman, J. & Donovan, F.**
5. Deception and Constructivist Theory of Mind in school-aged children. **Prodan, N., Moldovan, M., & Visu-Petra, L.**
6. Bilingualism and theory of mind. Implications for children's deceptive behaviour. **Cacuci, S. A., Prodan, N., Moldovan, M., & Visu-Petra, L.**

7. Malingering evaluation: A contrastive meta-analytic review of F and F-r scales. **Gancedo, Y., Sanmarco, J., Seijo, D., & Fariña, F.**
8. Forensic assessment of temporary work incapacity: malingering of psychological symptomatology in the SCL-90-R. **Vilariño, M., Amado, B. G., & Gallego, R.**

Miscellaneous

1. When there's a will, there's a way: restorative processes in prisons. **Peleg- Koriat, I. & Weimann-Saks, D.**
2. The cooperation of Law and Psychology within the Family Law. **Kim, S.**
3. Violence motivated by perception of the ethnic-racial identity: A systematic review protocol. **Díaz-Faes, D. A.**
4. Emotional responses to male versus female sexual perpetration and relationship with rape myths in a community sample. **Brazão, N., Carvalho, J., & Rosa, P. J.**
5. Therapeutic Alliance and Motivation for Change in intimate partner violence (IPM) perpetrators. **Castro, A., Santirso, F. A., Terreros, E., Lila, M., & Gracia, E.**
6. Prison management impact on inmate misconduct: Hermosillo I prison case. **Galindo, J. J.**
7. Long distance parenting: use of Information and Communication Technologies (ICTs) in relocation cases. **Santirso, F. A., Castro, A., Lila, M., & Gracia, E.**
8. Improving proximal outcomes with motivational strategies in batterer intervention programmes: a randomized controlled trial. **Arch, M., Fabregas, M., & Pereda, N.**

12:30-13:30 Conference Hall. Keynote Speaker 3: Amina Memon. Cognitive Interview: State of the science and future directions

12:30-14:00 Hall Written Communications. Written Communications 3: Victims & Young Offenders

Victims

1. Lifetime victimization and polyvictimization among a sample of adults with Intellectual Disabilities. **Codina, M. & Pereda, N.**
2. Validation of the Obsessive Relational Intrusion – Victimization Short Form in Spanish college population. **Cano-González, I., Viñas-Racionero, R., Charak, R., Soria-Verde, M. A., Scalora, M., & Del Campo, C.**
3. Adult outcomes of childhood victimization: anti-social behaviour, psychopathy and satisfaction with life. **Fonseca, A.**
4. Study of psychological adjustment and victimization in a sample of adolescents. **Gallego, R., Amado, B. G., Arias, E., & Vilariño, M.**
5. Adult memory reports of single versus repeated traumatic events in childhood. **Seidel, J., Memon, A., Connolly, D., Meyer, T., & Brewin, C.**

Young Offenders

1. Student's Offending (Secondary Education) in Cyprus: A pilot study. **Middleton, C.**
2. Impulsivity and violence justification in young offenders who abuse their parents. **Contreras, L. & Cano-Lozano, M. C.**
3. Contexts and levels of exposure to violence in child-to-parent violence offenders. **Cano-Lozano, M. C. & Contreras, L.**
4. Gender based differences in stalking perpetration behaviors in a Spanish college sample. **Del Campo, C., Viñas-Racionero, R., Cano-González, I., Soria-Verde, M. A., & Scalora, M.**
5. Justification of Violence and Security in the Family System as Predictors of Child-to-Parent Violence. **Cantón-Cortés, D., Junco, M., & Ruiz, A.**
6. Relationship between child-to-parent violence, emotional intelligence and resilience. **Navas-Martínez, M. J. & Cano-Lozano, M. C.**

7. Parents' socialization strategies in child-to-parent violence: A comparison between young offenders and non-offenders. **Navas-Martínez, M. J., Contreras, L., & Cano-Lozano, M. C.**
8. The role of Narcissism, Callous-Unemotional traits and Ambivalent sexism in explaining Child-to-Parent Violence. **Cortina, H. & Martín, A. M.**
9. Family characteristics: Differences between young Offenders Who Abuse Their Parents, general Offenders and Non-Offenders. **Valdivia, R., Contreras, L., Jimenez-García, P., & Cano-Lozano, M. C.**

16:00-18:00 Conference Hall. Applied Session 3: Complex PTSD, a New Diagnosis: Implications for Forensic and Correctional Psychology. Virginia Barber Rioja.

16:00-18:00 Lecture Hall 10. Oral Communications 7: Eyewitness identification & memory II

1. How does replicating a disguise in lineups affect eyewitness identification? **Blandón-Gitlin, I., Barragan, J., Paquette, K., & Susa, K.**
2. Protecting Victim and Witness Statement: Examining the Effectiveness of a Chatbot that Uses Artificial Intelligence and a Cognitive Interview. **Minhas, R., Shaw, J., & Elphick, C.**
3. The acculturation effect and eyewitness memory reports among sub-Sahara African migrants. **Anakwah, N., Horselenberg, R., Hope, L., & Van Koppen, P.**
4. The Eyewitness Lineup Identification Stimulus Database. **Ribbers, E., Rubínová, E., & Fitzgerald, R.**
5. Comparing the British Video Lineup with the 48-Person Lineup. **Levi, A.**
6. Accelerating the evolution process to greatly improve identification of a facial composite. **Frowd, C. D., Hancock, P. J. B., & Grieve, J. L.**
7. The effects of distance, light, and disguise on eyewitness identification accuracy. **Nyman, T. J., Antfolk, J., Lampinen, J. M., Korkman, J., & Santtila, P.**
8. Exploring individual variation in the size of the moving face recognition advantage. **Lander, K.**

16:00-18:00 Lecture Hall 8. Oral Communications 8: Victims & offenders II

1. Treating intimate partner violence perpetrators: recidivism reduction after the CONTIGO program in the Azores. **Capinha, M. & Rijo, D.**
2. Exploring the extent of rape myths in the United Kingdom. **Hermolle, M., Andrews, S., & Fox, C.**
3. The Growing Pro-Social Program: Theory, contents, structure and outcomes with male young offenders. **Brazão, N. & Rijo, D.**
4. Using Risk Perception to Explain Majority-Minority Differences in Trust in the Police. **Hamm, J. A.**
5. Perpetrator strategies for sexually abusing children online. **Joleby, M., Landström, S., Lunde, C., & Jonsson, L. S.**
6. Association between Childhood Polyvictimization and Suicide Ideation: Role of the Interpersonal Theory of Suicide. **Hsieh, C., Cano, I., & Charak, R.**
7. Perceptions of individuals serving non-custodial sanctions regarding crime and sentences. **Andrade, J., Gonçalves, R. A., & Rodrigues, A.**

16:00-18:00 Lecture Hall 9. Oral Communications 9: Forensic & risk assessment I

1. Examination of Convergent and Predictive Validity of the START: AV among Male Juveniles on Probation. **Laurinavicius, A., Klimukiene, V., Laurinaityte, I., Ustinaviciute, L., & Baltrunas, M.**
2. Forensic assessments in Slovenia: The prevalent usage of questionable psychological tools. **Areh, I.**
3. Communication with investigated parents in custody cases - standards and practices. **Czerebicka, A.**
4. Thought suppression as an indicator of self-stigmatization among minor-attracted persons. **Lievesley, R. & Harper, C.**

5. Prediction of aggressive behaviour inside of German forensic mental health institutions using a tree-based modelling approach. **Neumann, M. & Klatt, T.**
6. Forensic mental health assessment and judicial decisions of guilt in the Netherlands: An experimental approach. **Van Es, R., Keijser, J. & Kunst, M.**
7. Static Risk Factors in Sexual Offenders: The Predictive Validity Applying Machine Learning Algorithms. **Etzler, S., Schönbrodt, F., Pargent, F., Eher, R., & Rettenberger, M.**

16:00-18:00 Lecture Hall 11. Oral Communications 10: Decision-making I

1. The Expert Persuasion Expectancy (ExPEX) Framework: What attributes influence the persuasiveness of expert opinions? **Martire, K., Navarro, D., & Edmond, G.**
2. Perception of randomized security screening at airports. **Stotz, T., Bearth, A., Ghelfi, S. M., & Siegrist, M.**
3. A statistical model to predict withdrawal of prosecution by victims of gender violence. **Garcia-Jimenez, M. & Trigo, M. E.**
4. Psychosocial separation from abusive partners and victims' risk of dropping the charges. **Garcia-Jimenez, M. & Durfee, A.**
5. Does victims' liberation from a violent relationship affect the moment of them dropping charges? **Garcia-Jimenez, M. & Cala, M. J.**
6. Prostitution: Regulatory Stances and Morality. **Bonache, H., Delgado, N., Pina, A., & Guevara, P.**
7. Climate Change: Legal Activism by Youth Inspires Agemates. **Tipaldo, J., Sawhney, K., & Engle-Friedman, M.**
8. Juvenile Justice System Contact and Mothers' Legal Knowledge. **Cavanagh, C.**

FRIDAY, 19 July 2019

09:00-10:30 Conference Hall. Symposium 5: Psychopathy: Assessment, Applied Issues, and Treatment

Coordinates: Carlo Garofalo

Participants:

1. **Neumann, C. S., Hare, R. D., & Mokros, A.** The multifarious nature of psychopathy
2. **Leon-Mayer, E., Neumann, C., Folino, J., Trajtemberg, N., Maldonado, F., Guzmán, Y., Sánchez, O., & Hare, R. D.** Psychopathy in a mega South American Sample
3. **Garofalo, C., Neumann, C. S., & Velotti, P.** Emotion Dysregulation Mediates Associations between Psychopathic Traits and Aggression
4. **De Caluwé, E., Timmermans, E., & Garofalo, C.** Psychopathy and Other Dark Personality Traits on Tinder: Understanding the Motives and Gender Differences
5. **Ribeiro, D., Paulo, M., Miguel, R., Brazão, N., & Rijo, D.** Preliminary findings of the PSYCHOPATHY.COMP program in reducing psychopathic traits among young offenders

09:00-10:30 Lecture Hall 8. Applied Session 4: The forensic psychological report: ethical and practical issues (Spanish). Mila Arch & José Manuel Muñoz.

09:00-10:30 Lecture Hall 9. Oral Communications 11: Miscellaneous

1. The use of impact statements and victims' privacy interests: a therapeutic jurisprudence exploration. **Van der Merwe, A. & Mitchell, L. M.**
2. Assessing the voice of the child: Crucial psychological evaluation criteria in family law proceedings. **Zumbach, J.**
3. Verbal Description and Accuracy in a Cross-Race Effect Study. **Trojanová, H., Peška, L., & Boukalová, H.**

4. The development and initial validation of the Dynamic Model of Psychopathy (DMP). **Gullhaugen, A. & Heinze, P.**
5. Discrepancies between data and public discourse on immigrant child sexual abuse in Finland. **Pakkanen, T., Laajasalo, T., & Ellonen, N.**

09:00-10:30 Lecture Hall 11. Symposium 6: Socio-community representations of the Youth. Legal Implications (Spanish)

Coordinates: Francisco Javier Rodríguez Díaz

Participants:

1. **Pérez, B. & del Valle, C.** Cultural representations of minority groups. Implications for decision making in judicial context.
2. **Rodríguez, L., Rodríguez, F. J., Herrero, J. B., Paino, S. G., & González, N.** Social representation of violence in dating.
3. **Fandiño, R. & Basanta, J. L.** The perception of crime in lower infringers and their social representation
4. Analyzing the path from bullying to bully. **Marcos, V., Gancedo, Y., Selaya, A., & Novo, M.**

10:30-12:00 Conference Hall. Symposium 7: Longitudinal trajectories/changes of risk factors in forensic patients: model-testing and relations to offending behaviour

Coordinates: Stefan Bogaerts

Participants:

1. **Garofalo, C., Weller, J. A., & Reynolds, M.** Longitudinal trajectories of Boldness, Meanness, and Disinhibition from late adolescence to early adulthood
2. **Billen, E., Garofalo, C., Weller, J. A., & Bogarts, S.** Bidirectional effects between self-regulation and deviance, from adolescence to adulthood
3. **Kleijn, M. & Bogaerts, S.** Sexual offending pathways and chat conversations in an online environment.
4. **Bogaerts, S., Billen, E., & Garofalo, C.** Behavioral change over time in forensic psychiatric patients using a cross-lagged panel model
5. **Van der Linde, R., Bogaerts, S., Garofalo, C., Billen, E., De Caluwé, E., Blaauw, E., & Spreen, M.** Do Offense-Related Dynamic Clinical Factors Decrease Between Imprisonment until Unconditional Release? A Latent Growth Trajectory among a Dutch Sample of Forensic Psychiatric Patients.

10:30-12:00 Lecture Hall 8. Symposium 8: Psicopatologia forense (Portuguese)

Coordinates: Diana Moreira

Participants:

1. **Moreira, D. & Barbosa, F.** Neurobiological conceptualization of the psychopathic personality: One century of history
2. **Mariz, C., Souza, O., & Moreira, D.** The genetic and environmental influences on psychopathy
3. **Carvalho, C., Souza, O., & Moreira, D.** The influence of personality traits in psychoactive substance use: A systematic review
4. **Sá Moreira, D., Oliveira, S., Nunes, F., Fávero, M., Sousa-Gomes, V., & Moreira, D.** Childhood traumas and psychopathy: A comprehensive review
5. **Sá Moreira, D., Oliveira, S., Nunes, F., Fávero, M., Sousa-Gomes, V., Moreira, D., Magalhães, T., & Peixoto, C.** Child sexual abuse: Role of health and education professionals on its prevention/intervention

10:30-12:00 Lecture Hall 9. Oral Communications 12: Interviewing, interrogations & confessions II

1. The Impact of Evidence Type on Police Investigators' Choice of Interrogation Tactics. **Jang, M., Luke, T., Granhag, P., Vrij, A., & Lee, W.**

2. Police Practices and Beliefs about Interviewing and Interrogation in Europe: Results for Spain. **Schell-Leugers, J., Masip, J., González, J. L., Vanderhallen, M., Volbert, R., Landström, S., Myklebust, T., & Kassin, S.**
3. Can a longer rapport-building phase improve preschoolers' witness capabilities during investigative interviews? **Magnusson, M. & Ernberg, E.**
4. The effect of reciprocity and relationship closeness on voluntary false confessions. **Schneider, T., Sauerland, M., Merckelbach, H., & Cohrs, C.**
5. Does the perception of interviewer familiarity and knowledge promote self-disclosure in security vetting interviews? **Winters, C. L., Geyer, K., Taylor, P. J., Luther, K., Ellis, D., & Papisileka, E.**
6. Effect of Question Type on Children's Disclosures of Sensitive Information. **Lavoie, J., Wyman, J., Crossman, A., & Talwar, V.**

10:30-12:00 Lecture Hall 11. EAPL Members' meeting.

12:30-13:30 Conference Hall. Keynote Speaker 4: Virginia Barber Rioja. Expanding the role of psychology in correctional mental health: reforms in New York City's Rikers Island correctional facility as a framework

12:30-14:00 Hall Written Communications. Written Communications 4: Eyewitness identification & memory, & Interviewing, interrogations & confessions

Eyewitness identification & memory

1. The role of eyewitness metamemory on identification performance for fair and unfair lineups. **Saraiva, R., Van Boeijen, I. M., Hope, L., Horselenberg, R., Sauerland, M., & Van Koppen, P.**
2. Does post-identification feedback affect eyewitness' behaviour? **Fukushima, Y., Jordan, K., & Garry, M.**
3. Awareness of emotional stimuli in a video suppressed memory of the video. **Shimane, D., Tsuzuki, T., & Itoh, Y.**
4. Person misidentification is associated with cognitive failures and expectations. **Miura, H., Shimane, D., & Itoh, Y.**
5. Give me another chance and I'll recognize him: Investigating the practice of repeated identifications. **Váchová, E. & Rubínová, E.**
6. Promotion of legal psychology from the professional association of legal psychology. **Blanco, F., Martinez, M., Sousa, A., & Seijo, D.**

Interviewing, interrogations & confessions

1. Are confessions enough evidence to sentence a defendant? **Selaya, A., Marcos, V., Sanmarco, J., & Novo, M.**
2. Factors that impact Children's Competence to Testify: Systematic Analysis of Qualitative Data. **Segal, A. & Žukauskiene, R.**
3. Barriers to communication in the control room of the UK Fire and Rescue Service. **Shawyer, A., Milne, R., Dalton, G., May, B., Hope, L., & Gabbert, F.**
4. French Gendarmes' perceptions of interfering information during witness testimony. **Geoffrey, D.**
5. Interviewer Rapport Building in Alleged CSA Cases – What is supportive? **Otzipka, J., Volbert, R., & Tamm, A.**
6. Police Caution Comprehension in Appropriate Adults and implications for vulnerable suspects. **Parker, L. & Mattison, M.**

16:00-18:00 Conference Hall. Oral Communications 13: Deception detection & malingered II

1. A lens model examination of consistency and deception. **Hudson, C., Vrij, A., Akehurst, L., Hope, L., & Satchell, L.**

2. A personal model of trumpery: Linguistic deception detection in a real-world high-stakes setting. **Van der Zee, S., Poppe, R., Havrileck, A., & Baillon, A.**
3. Do bold people lie more? The role of adaptive psychopathic traits on lying. **Yoon, D., Tamm, A., Krüppel, J., Hofmann, M., Mokros, A., & Volbert, R.**
4. Dynamic Keylogger Analysis of Truthful and Deceptive Accounts. **Tomas, F., Tsimperidis, I., Demarchi, S., & El Massioui, F.**
5. Accuracy in detecting truths and lies in cheating paradigm: Lie bias and verbal/nonverbal cues. **Celik, D. & Koparan, C.**
6. Deception detection methods and perjury penalty: A game theoretic approach. **Ioannidis, K., Offerman, T., & Sloof, R.**
7. A baseline comparison does not improve the accuracy of detecting lies. **Verigin, B. L., Meijer, E. H., & Vrij, A.**

16:00-18:00 Lecture Hall 8. Oral Communications 14: Decision-making II

1. Popper in practice: Do judges use falsification? **Maegherman, E., Horselenberg, R., & Van Koppen, P. J.**
2. Bias in jurors' judgment on rape victims' believability and responsibility. **Huang, C. & Angerson, J.**
3. Judges' assessments of offenders' behavior in court. **De Castro-Rodrigues, A., Andrade, J., Cruz, A. R., Cunha, O., & Gonçalves, R. A.**
4. Exploring the effect of cross-examination and witness rehabilitation on juror understanding of expert testimony. **Scanlon, P., Banyai, B., Hart, E., & Cooper, S. L.**
5. A Psychological Exploration of How Pre-Trial Attitudes Impact Juror Decision Making within an Ecologically Valid Rape Trial Re-enactment. **Willmott, D., Boduszek, D., Debowska, A., & Booth, N.**
6. Visual behaviour and decision-making in lineup identification tasks. **Dewan, S. & Van Golde, C.**
7. How criminal justice professionals understand forensic conclusions. **Van Straalen, E. K., de Poot, C. J., Malsch, M., & Elffers, H.**
8. The mediated role of emotions in the relationship between malleable beliefs and legal decision-making. **Weimann-Saks, D. & Peleg-Koriat, I.**

16:00-18:00 Lecture Hall 9. Oral Communications 15: Victims & offenders III

1. Adult outcomes of childhood victimization: anti-social behaviour, psychopathy and satisfaction with life. **Fonseca, A.**
2. Gender (a)symmetry in intimate partner violence: Findings from the Czech Republic. **Podaná, Z.**
3. Motivational enhancement techniques in batterer intervention programmes: A systematic review. **Santirso, F. A., Gilchrist, G., Lila, M., & Gracia, E.**
4. Provisional Police Officers Attitudes Towards Offenders. **Cunha, O., Carvalho, F., Castro-Rodrigues, A., Cruz, A. R., & Gonçalves, R. A.**
5. Public perceptions of stalking within different sexualities. **Mojtahedi, D.**
6. Pornography and sexual abuse by adolescents: evaluating its influence. **McGrath, K.**
7. Social representations of conjugal violence in current and future professionals, and their reactions in the systems: educational, health and legal. **Cabral, P. C.**

16:00-18:00 Lecture Hall 11. Oral Communications 16: Forensic & risk assessment II

1. Improving prognostic validity in risk assessment processes in forensic psychiatric commitment units. **Kretschmer, T., Sklenárová, H., & Nitschke, J.**
2. Insanity Evaluation of Personality Disorders: Discussion on a case of Narcissistic Personality Disorder. **Scarpazza, C., Miolla, A., & Sartori, G.**

3. Adolescent adjustment and risk prevention: Looking at family factors. **Vale-Dias, M. L. & Morgado, A.**
4. Relationships between parental attitudes' perceptions and adolescent internalizing and externalizing problems: implications for intervention. **Vale-Dias, M. L. & Berardo, C.**
5. Evaluation of Well-being and Stress of adolescent offenders and professionals in Brazilian Educational Centres. **Vale-Dias, M. L. & Figueiredo, T.**
6. Forensic applications of the evolutionary model of incestuous abuse. **Antfolk, J.**
7. Symbolic violence as a component of dating violence. **Burianek, J.**
8. The maturity concept in the family court proceedings. **López, N. & Martín, M.**

SATURDAY, 20 July 2019

09:30-11:00 Conference Hall. Symposium 9: Deception and Memory Detection in the 21st Century: Recent Advancements

Coordinates: Jaume Masip

Participants:

1. **Koller, D., Hofer, F., Grolig, T., Ghelfi, S., & Verschuere, B.** Exploring the applicability of the reaction time-based CIT in an airport setting
2. **Geven, L., Ben-Shakhar, G., Kassin, S., Kindt, M., & Verschuere, B.** Memory detection as a forensic tool to evaluate the veracity of a confession
3. **Millen, A. E., Brock, S., & Hancock, P. J. B.** Shining a spotlight on face recognition: mouse-path dynamics detect recognition of familiar faces
4. **Visu-Petra, L., Buta, M., Seucan, D. T., & Prodan, N.** Children's ability to conceal information via withholding evidence or strategic deception: A longitudinal investigation
5. **Sánchez, N. & Gómez-Ariza, C. J.** Do Cognitive Load and Prefrontal Neuromodulation Affect Deceptive Responding? A tDCS Study
6. **Street, C. N. H. & Briggs, D.** An eye tracking study of how people engage with SMS text messaging scams

09:30-11:00 Lecture Hall 8. Applied Session 4: Statement analysis based on content criteria: From hypothesis to a methodic instrument. Ramón Arce.

09:30-11:00 Lecture Hall 9. Oral Communications 17: Decision-making III

1. When Mitigation Functions as Intended: Discrete Emotions and Attributions in Capital Cases. **Gordon, N. & Stone, C.**
2. My story is better than yours! Presenting an alternative story reduces likelihood of prosecution. **Schmittat, S. M., English, B., Sautner, L., & Velten, P.**
3. A new, multi professional legal psychology specialization programme: description and results. **Korkman, J.**
4. We the Jury Find the Defendant Guilty Due to Our Misconceptions about Brain Injuries. **St. Pierre, M. E., Twigg, V., & Parente, R.**
5. Person description information: Is there an own race bias? **Dalton, G., Tredoux, C., Hope, L., & Milne, B.**

09:30-11:00 Lecture Hall 11. Symposium 10: Therapeutic Jurisprudence in parental separation (Spanish)

Coordinates: Dolores Seijo

Participants:

1. **Fariña, F., Vázquez, M. J., & Seijo, D.** Parental high conflict and its effect on children

2. **Seijo, D., Fariña, F., & Vázquez, M. J.** The forensic psychologist role: Therapeutic Jurisprudence perspective.
3. **Calvo, N. C.** Reunification process between targeted parent and children under Parenting Coordination model of intervention
4. **Martínez, P.** Parenting and ethics: The care of the minor human being in

11:00-12:00 Conference Hall. Keynote Speaker 5: Friedich Lösel. Treatment of offenders: What we know about effectiveness and what we need to do in the future

11:00-12:30 Hall Written Communications. Written Communications 5: Forensic & risk assessment, & Criminal investigations

Forensic & risk assessment

1. Nonfatal Strangulation Among Domestically Violent Stalkers: The Importance of Recognizing Coercively Controlling Behaviors. **Bendlin, M. & Sheridan, L.**
2. Assessing and Treating the Mentally Ill within a Structured Forensic Setting. **Kodzic, A. & Gunnarsson, D.**
3. Peer relationships and their influence on suicide decisions in children and adolescents. **Rajtar, T. & Has, A.**
4. Using Latent Profile Analysis to identify psychopathic profiles among young offenders. **Rijo, D., Ribeiro, D., & Salekin, R.**
5. Examining the Relationship between Poor Problem-Solving, Schemas, and Anger in Violent Offenders. **Wee, C., Chee, C., & Huan, T.**
6. Young people and myths about love: an exploratory study. **Pina, R., Garrido, E., Mora, S. & Prieto, A.**

Criminal investigations

1. Unmaking criminal psychopathy: A case report. **Gullhaugen, A.**
2. Procedimental justice associated with the obligation to obey the law: perspective of arrested persons. **Cabrera, S., Frías, M., Aranda, C. L., & Espinoza, J.**
3. Social capital, and strengths as protective factors against delinquency in a Mexican inmate sample. **Espinoza, J., Frías, M., Corral, N. S., & Galaz, Y. C.**
4. Clients who self-refer to St Mary's SARC: How does this population differ from police-referred clients? **Mattison, M., Majeed-Ariss, R., & White, C.**
5. Nobody is better than you: Opportunist moral identity of sexual offenders. **Navas, M. P., Sobral, J., Gómez-Fraguela, J. A., Dominguez-Álvarez, B., & Isdahl-Troye, A.**
6. A multifaceted assessment of dark personality in the prison population: is there a dark factor? **Turi, A., Hurezan, L., & Visu-Petra, L.**
